

Position Description

Rules and Judging Director

Executive Committee Position

Key Responsibilities

To lead Skipping Australia's efforts to grow the number and professionalism of officials (especially judges) in our sport, and to maintain and enhance Skipping Australia's rules to promote growth and the advance performance of our competitive athletes.

Specific Duties

- Maintain/build Skipping Australia rule set and competition structure
- Update Skipping Australia Rulebook
- Coordinate and Chair the Rules Committee, including maintaining meeting records and clearly communicating recommendations to Skipping Australia Executive
- Refresh and implement Skipping Australia's *Judge Development Strategy*
- Maintain records of judges' qualifications
- Recruit and support Judge Clinicians
- Oversee the delivery of IJRU live judge training in Australia
- Run judges' meetings at National Championships

Desirable Attributes

- be highly organised with strong administration and computer literacy skills
- have strong written and verbal communication skills
- able to attend Committee / Executive meetings
- strong working knowledge of competition and judging rules
- IJRU judging certifications in all disciplines and willingness to maintain these
- IJRU judge clinician certifications and/or willingness to gain this within six months

Key Goals 2024 - 2025

1. Increase number of judge clinicians in Australia
2. Increase number of judging certifications across Australia
3. Ensure Skipping Australia Rulebook is up-to-date and available to all members
4. Ensure the Rules Committee is providing clear, timely and unbiased advice to Skipping Australia Exec
