

## **Role Description**

### **Rules Committee Member**

Sub-Committee Position

#### **Key Responsibilities**

To contribute advice to Skipping Australia on rules, records, competition structures, judging and qualification processes.

#### **Specific Duties**

- Attend and actively participate in sub-committee meetings
- Consider and provide clear advice/recommendations on matters directed to the Rules Committee by Skipping Australia
- Raise, discuss and provide suggestions/recommendations on matters that will enhance the sport of skipping in Australia
- Represent the best interest of Skipping Australia, as opposed to the best interest of individual clubs or individual athletes
- Gain and maintain Level 3 judging qualifications in all four IJRU judging disciplines and support Skipping Australia's efforts to increase number of qualified judges throughout Australia
- Maintain strict confidentiality on information available to the sub-committee

#### **Desirable Attributes**

- current Level 3 qualifications in all four IJRU judging disciplines, or a commitment to attain these in 2024
- thorough understanding of Skipping Australia's Rulebook and the IJRU rules
- willingness to work collaboratively with sub-committee members to develop and communicate clear recommendations to Skipping Australia's Executive Committee
- able to act impartially
- desire to grow and enhance the sport of skipping, throughout Australia

#### **Sub-Committee composition**

- Chair – Director, Judging and Rules
- At least 1 member from all states/territories with clubs represented at Nationals
- No more than 1 members from each club
